**Directions to our plant from the Dallas-Ft. Worth airport:** After leaving the DFW rental car facility, take the "North" airport exit. Proceed through the tollbooth, then exit to the right at the exit marked "Hwy 114 West." Follow 114 west (and north) until it merges with Hwy 287 (~ 20 miles). Follow 287 to Wichita Falls (~ 90 miles). It takes a little less than two hours from DFW.

When you reach the eastern edge of Wichita Falls, you will pass our facility on the left. Continue past our facility to the Fisher Road exit; exit and take the overpass back over the highway. Get back on Hwy 287, this time going in the opposite direction. Take the first exit, tagged "Stephens Ranch Road." Stay on the service road, which dead ends at our front gate in ~ 1/4 mile.

Office phone number is 940-766-2556 if you have any trouble.
