Directions to our plant from the Houston area: Leave Houston on I-45 North. Proceed north on I-45 until you reach the Ennis area. Take the US Hwy. 287 exit and proceed northeast, bypassing Ennis and following the road through Waxahachie and Midlothian. Highway 287 will merge with I-35W in Ft. Worth, and will diverge from I-35 immediately northeast of Ft. Worth. Follow 287 to Wichita Falls (~ 100 miles). It takes a little less than two hours from Ft. Worth.

When you reach the eastern edge of Wichita Falls, you will pass our facility on the left. Continue past our facility to the Fisher Road exit; exit and take the overpass back over the highway. Get back on Hwy. 287, this time going in the opposite direction. Take the first exit, tagged Stephens Ranch Road. Stay on the service road, which dead ends at our front gate in ~ 1/4 mile.
